CURES OTHERS

Mrs. J. H. Lassing, of Sauth Glen's Fulls, Scratoga County, N. P., writes: "After my third child was born, I burely gained strength enough in two years' time, to be able to crawl about to accomplish the little bouse work that I had to do, and that only by lying down to reet many times each day; had sick headache very often, many pains and aches all the time. After I had taken one bottle of your Favorite Prescription' I could see a great change in my strength and less sick headaches. Continued taking the medicine until I had taken seven bottles of the 'Favorite' and one of the 'Golden Mrs. Lansing. Medical Discovery.' I am now able to do housework for myself and husband and two children aged nine and five. I enjoy walking a mile at a time. I am sure it is all due to Dr. Plence's Favorite Prescription at I was failing fast before I commenced to take it.' Soid by dealers everywhere.

Bananas, apples, oranges, lemons, potatoes, onions, cabbage, pears, etc., at wholesale, Geo. H. Dawes, 110 Water street.

Children Cry for Pitcher's Jastoria.

'It made me Hands that Sor' I couldn't slape; an' if it was that harrd on me hands, how harrd it must be on the durrt!" This is the way a good old Irish woman praises some washing-

powder or other which she prefers to Pearline. As it was proven she had never tried Pearline, the compliment would appear to be in favor of Pearline.

Whoever heard of any one claiming that Pearline hurt the hands? But there's the trouble-Pearline is

the original washing compound; its popularity has drawn out thousands of imitations-so popular that to many it indicates any powdered washing material. If you are using Pearline, you are satisfied; if you are dissatisfied, try Pearline. If you are using something with which you are satisfied and it is not Pearline, try Pearlineyou will wonder you were satisfied before. Pearline is economical and harmless. 415 JAMES PYLE, New York.
